A big thank you to our Technology Specialist, Kara Shea, for facilitating **this week's Parent Forum**, providing the tech tips and supporting the whole SWES community! Click [here](#) to watch the recording of the forum and here is the [link](#) to the slideshow.

Kara also did a little research as asked and reports that you can save SeeSaw responses from your child's journal to your computer by clicking the 3 dots at the bottom right corner of the response, then click the word save. This will save the video or the jpg to your download folder of your computer.

A calendar note: Our Special Education Coordinator, Erin Vacaro is hosting a virtual **Special Education Parent Coffee Hour** on Tuesday, May 19th. Times and the Zoom invitation can be found in our weekly [newsletter](#).

On another note, it's with mixed emotions that I share the following news from interim Assistant Principal, Raylene Roberts, "I want to thank the whole Hillside/Sunita Williams community for your support this year. I enjoyed working with your children, you, and the staff in this capacity but I am very excited about returning to the classroom full time!" I certainly understand and appreciate Raylene's decision to return to the classroom, but also want to thank her the great job she's done, and continues to do, as we navigate the unprecedented challenge we find ourselves in right now. We are all grateful for her support, enthusiasm, and diligence over the course of this extraordinary year and are delighted that she will return full time to our grade 5 team. I will keep you posted on the search for a new Assistant Principal as it progresses.

Finally, I hope you find time this weekend to enjoy the Spring weather that finally arrived today. I for one hope to log off of the computer after pressing "send" and give my eyes and shoulders a much needed break!
