

Here is the [recording](#) from this week's **Parent Forum** for those who could not attend. As mentioned at that meeting, the forum on next Wednesday, May 27th, will be a chance for parents to meet the three finalists for SWES's Interim Assistant Principal. Please note that it will run from 3:00 to 4:30 so each candidate will have a half hour to interact with you. The form for signing up was already sent to you in a separate email. Also, note that a response is needed by noon on Tuesday, May 26th. The Zoom invitation will be sent out on the morning of the forum.

On a related note, please [click](#) here to read a message from Terry Duggan, Assistant Superintendent for Student Learning, about end-of-the-year "**closure meetings**" which will occur toward the end of the school year in lieu of the progress reports normally handed out on the last day of school. This was also discussed at this week's forum.

Finally a heads up about an upcoming Zoom invitation students in grades one through five will be receiving through your email(s). We are holding final **Cluster meetings** virtually on Friday, May 29th from 10 to 10:30am. These meetings will be synchronous and not recorded. We realize this may be tricky for families with students who are sharing devices with siblings. If this is the case, please help them plan a way to spend part of the time in their own Cluster meeting. If you have any questions about this, you can email them directly to the Cluster teacher who sends you the invite. Thank you so much for helping with this as well as ALL you've been doing to keep your children connected to their Sunita Williams family!

I hope you have a wonderful long weekend and the chance to unplug and enjoy some real Spring (or is it Summer already?) weather.

Stay safe,

Mr. K
